Physician Assistant Practicing Integrative Medicine

A Guide to Evidence-based Integrative and Complementary Medicine is designed for General Practitioners, specialists, medical students and health practitioners with an interest in integrative medicine.

(PDF) Integrative medicine: What is the role of the Dietitian?

Integrative medicine is not just a catchy title for what was formerly known as holistic healthcare. It is a title that embodies the professional organization of integrative healthcare providers through an association that teaches, educates, and informs about integrative models of health.
