Dementia Diary A Care Givers Journal

it is important for both you and the person with dementia. Looking after yourself " and learning to deal with challenges " means you will be in a better position to continue to care for the person with dementia. Keeping yourself healthy " physically, mentally and emotionally " can also help you to have a better relationship with them.

Read Dementia Diary: A Care Giver's Journal PDF Online

I keep a care diary but don't share it and keep it confidential. I record any significant Dementia events but most importantly appointments, conversations, advice so I don't forget , date I went to bank for odd jobs etc, basically anything connected with my role as carer and I have found it invaluable many times since it was first recommended.

The importance of keeping a diary for a person with Dementia

In some areas, respite care for a person with dementia is provided as a result of a carer's assessment, while in others it's provided after a needs assessment for the person themselves.

Respite care in Wales - alzheimers.org.uk
