A global standard used by millions of people in companies of all sizes. You can use the canvas to describe, design, challenge, and pivot your business model.

Strategyzer | Business Model Canvas

Business Model Canvas is a strategic management and lean startup template for developing new or documenting existing business models. It is a visual chart with elements describing a firm's or product's value proposition, infrastructure, customers, and finances. It assists firms in aligning their activities by illustrating potential trade-offs.
