

### **commercial and maritime statutes pdf**

A statute is a formal written enactment of a legislative authority that governs a city, state, or country. Typically, statutes command or prohibit something, or declare policy. Statutes are rules made by legislative bodies; they are distinguished from case law or precedent, which is decided by courts, and regulations issued by government agencies.

The whistleblower protection statutes enforced by OSHA are listed below. They contain whistleblower anti-retaliation provisions that generally provide that employers may not discharge or otherwise retaliate against an employee because the employee has filed a complaint or exercised any rights provided to employees.
