What about a thread where we share our favourite femiimization stories!? I personally prefer a rather realistic than over the top setting with not too much detail about a dressing up, master/slave, sissy high heels and stuff since this doesn't do anything for the actual feminization process and is rather unrealistic.

It's undoubtedly true that some parents, somewhere, give their adult children excellent guidance on jobs and work life. But based on the letters I get at Ask a Manager, I can say with confidence that many, many parents are steering their kids oddly astray when it comes to navigating work life.

why do so many parents give terrible work advice to their
