**Human Rights Documentary Supplement [Epub]**

Reflecting the authors' broad understanding of what qualifies as a "human rights document," it includes instruments dealing with the law of war, international labor law, the law governing treaties and consular affairs, refugee and immigration law, international criminal law, non-governmental organizations, and professional ethics. It also includes relevant statutes and executive branch materials.

**International Human Rights 2009 Documentary Supplement**

The purpose of the Documentary Supplement is to provide students and practitioners with a ready reference of collected materials relevant to the study and practice of international and operational law.
