Adult Intraosseous Access: An Idea Whose Time Has Come

Despite the lifesaving feats performed every day by emergency departments and ambulance services, the nation's emergency medical system as a whole is overburdened, underfunded, and highly fragmented, says this series of three reports from the Institute of Medicine.

Hospital-Based Emergency Care: At the Breaking Point

Emergency department crowding threatens quality and access to health care. Many of these are errors of omission rather than errors of commission since the emergency staff must simultaneously care for inpatients and focus on the new emergencies coming in the door.
