Hands & Voices

Deaf culture is the set of social beliefs, behaviors, art, literary traditions, history, values, and shared institutions of communities that are influenced by deafness and which use sign languages as the main means of communication.

Deaf culture - Wikipedia

This topic aims to help understand the close link between learning to talk and learning to read, their importance in childrenâ€™s intellectual development, the learning mechanisms involved and the external

factors that influence them, and signs that could indicate a learning disability.

Language development and literacy: Impact on emotional

Preschool and school-age children Helping your preschooler or school-age child love books. Remember, when you read to your child often and combine reading time with cuddle and play time, your child will link books with fun times together.
