A Living Will, also known as an "Advance Directive", allows a person to state their end-of-life medical treatment and care. This document does not hold any bearings after death, it solely directs physicians to care for a person based on what is stated in their Living Will, especially with issues such as DNR (do not resuscitate). Without this document, it's difficult to judge an ill or incapacitated person's end-of-life wishes.

SUCCESS IN LIFE 3 It is like the laying of the foundation for an important building you wish to construct. If this building is something very important to you, then just think how much more important its proper foundation becomes in your view. The strong and continued existence of the building depends certainly upon the foundation. This is the stage you are now in.

In making feminism a life question, we will be judged as judgmental. In this book I refuse to relegate the question of how to live a feminist life to history. To live a feminist life is to make everything into something that is question-able. The question of how to live a feminist life is alive as a question as well as being a life question.

life than to waste it. If you live gladly to make others glad in God, your life will be hard, your risks will be high, and your joy will be full. This is not a book about how to avoid a wounded life, but how to avoid a . wasted. life. Some of you will die in the service of Christ. That will not be a tragedy. Treasuring life above Christ is a tragedy.
