Both the Nikon Coolpix P900 and this book are kinda hard to review and rate. The camera is so complex, and Nikon has decided not to include a paper manual in a \$600 camera that is now selling at MSRP, which I think is really shoddy -- there is plenty of room in the large box, and the idea of using a downloaded pdf that is massive is preposterous.

**Photographer's Guide to the Nikon Coolpix P900: Alexander**

Save Time - White Balance In 15 Seconds or Less The ExpoDisc consistently produces excellent color in natural, artificial, studio, and mixed light environments.
