The Church system. The success of the Church as a dominant force can be attributed in no small measure to its highly developed organisation, which over the course of the Middle Ages developed a sophisticated system of governance, law and economy.

Church in the Middle Ages: from dedication to dissent

"Sexual Practices and the Medieval Church" analyses the Christian assumptions about sexuality, chronicles the early institutionalisation of these assumptions, and explores the theological debate of the meaning of marriage and the role of sex in marriage.

Medieval scholars of Catholic church law, or . canon law, were also influenced by Roman law scholarship as they compiled existing religious legal sources into their own comprehensive system of law and governance for the Church, an institution central to medieval culture, politics, and higher learning. By the late Middle Ages, these two laws, civil and canon, were taught at most universities ...
