residents. By Keith Archibald Forbes (see About Us) at e-mail exclusively for Bermuda Online

### **Bermuda's Healthcare requirements**

A health system, also sometimes referred to as health care system or as healthcare system, is the organization of people, institutions, and resources that deliver health care services to meet the health needs of target populations.

### **Health system - Wikipedia**

Primary care is the day-to-day healthcare given by a health care provider. Typically this provider acts as the first contact and principal point of continuing care for patients within a healthcare system, and coordinates other specialist care that the patient may need.

### **Primary care - Wikipedia**
