Private International Law (Miscellaneous Provisions) Act

Swiss private international law was a body of case law for more than hundred years. The principles were developed by the Federal Tribunal by way of analogy with an old statute, enacted in the days before the Civil Code and designed primarily to govern inter-cantonal conflicts of law. Since January 1, 1989, the Swiss private international law is governed by the Federal Law of Private ...

Private International Law (Miscellaneous Provisions) Act 1995

National legal systems (including private international law) are part of the international legal system. International law takes a customary form, in which society orders itself through its experience of self-ordering, and a legislative form (treaties). The state of international law at any time reflects the degree of development of international society. Recent developments in international ...
