Open Access Strategies in the European Research Area August 2013 Produced for the iii European Commission DG Research & Innovation charge discount to authors from institutions that subscribe to a relevant hybrid OA journal.

Open Access Strategies in the European Research Area

Innovation can be simply defined as a "new idea, creative thoughts, new imaginations in form of device or method". However, innovation is often also viewed as the application of better solutions that meet new requirements, unarticulated needs, or existing market needs. Such innovation takes place through the provision of more-effective products
