American Family Physician

Families and individuals in contemporary America have more life choices than in the past That makes it easier for some to consider dangerous or unpopular options. But it also makes success easier for many families that never would have had a chance before-interracial, gay or lesbian, and single-mother families, for example. And it expands horizons for most families.

The American Family - Author Stephanie Coontz

“the american family is changing. “with more online conversations than ever, the concerns and demands of the family are present all around us.”

THE AMERICAN FAMILY TODAY - Walmart.com

Today, 40% of families with children under 18 at home include mothers who earn the majority of the family income. 18 This share is up from 11% in 1960 and 34% in 2000. The bulk of these breadwinner moms'™8.3 million'™are either unmarried or are married and living apart from their spouse. 19 The remaining 4.9 million, who are married and living with their spouse, earn more than their husbands.
