

the challenge of democracy pdf

The great struggles of the twentieth century between liberty and totalitarianism ended with a decisive victory for the forces of freedom—and a single sustainable model for national success:

National Security Strategy of the United States of America

Since the fact of the matter here on Amazon is to opine on the quality of the book, and not regard politics, I will write about the book. Sharansky offers a very compelling and interesting perspective on the last 50 years of world history.
