iii BANKING LAW AND PRACTICE Company Secretaries have a pivot role to play in the Banking and Financial Sector. A Company Secretary can work as a compliance officer in a banking and financial institution and play an important role in ensuring compliance

### **BANKING LAW AND PRACTICE - ICSI**

The results show that common law countries generally have the best, and French civil law countries the worst, legal protections of investors, with German and Scandinavian civil law countries located in the middle. We also find that concentration of ownership of shares in the largest public companies is negatively related to

investor protections, consistent with the hypothesis that small, diversified shareholders are unlikely to be important in countries that fail to protect their rights.
