

the power of personal pdf

The Power of Personal Branding for Career Success Karen Wensley . Why should you develop your Personal Brand? You already have a brand – You may not know what it is – It may not be accurate – It may not be the brand you want – It will shape your career . What is a Personal Brand? – What people say about you when you’re not in the room – What you stand for, and are passionate about ...

The Power of Personal Branding for Career Success,

sense of power. We propose that individuals’ personal sense of power in a given context is related to their sociostructural position within that context. At the same time, particular personality traits can help individuals attain higher levels of influence and control in their relationships, thus contributing to the personal sense of power as well.
