

### **the silent healer a pdf**

His grandmother feared for his safety if his "gifts" were talked about so he became "The Silent Healer". Throughout his life, Frank has allowed God to work through him to heal himself, other people and animals. His memoir is an adventure into the unknown, where faith, belief and willingness to be a channel for divine healing power result in what many would call "miracles". At the age of 80, Frank St. Martin is still working and healing others.
