A Little Pretty POCKET-BOOK, Intended for the Instruction and Amusement of Little Master Tommy, and Pretty Miss Polly, first published in 1744, is generally considered to be the first book specifically directed at children. It was originally sold with free gifts, a ball for a boy and a pincushion for a girl. Although none of these gifts survives, they were apparently black on one side, and red ...

A Little Pretty Pocket-Book was sold with a ball (for boys) and a pincushion (for girls). Contained in the book was a letter from Jack the Giant-Killer describing the proper use of these toys. Newbery's books, bound with covers of Dutch floral paper and gilt edges, were designed to delight the eye. His books appealed to parents who embraced the popular Lockean ideal of education by amusement, and they set a standard for quality of writing and presentation.
