Anytime you start arguing with a woman about women's rights, the argument will often stall with the phrase "but we have been oppressed for so long so we deserve more than you", as if it was on par with slavery of black people or the Holocaust for the Jews.

If Women Were Oppressed, Men Suffered Right Alongside Them

International relations (IR) is a branch of political science, that deals with foreign affairs and global issues among the states within the international system, including the roles of states, intergovernmental organizations, non-governmental organizations (NGOs) and multinational corporations.

Traditionally the nature of the divide has been measured in terms of the existing numbers of subscriptions and digital devices. Given the increasing number of such devices, some have concluded that the digital divide among individuals has increasingly been closing as the result of a natural and almost automatic process.
